Dear artists,

As you may know the challenges of the recession did not escape Artevo which resulted in Artevo Corporation being placed in receivership on December 18th 2009.

Since that time the assets of Artevo were offered for sale and 1503850 Alberta Ltd of which I am a shareholder has successfully negotiated the purchase of these assets. A court application made by the Receiver is to be heard on March 4, 2010, 1:30 PM in Calgary at which time it is hoped that the sale will become final.

These assets include the Artevo.com website and the assignment of reproduction rights of artworks where license fees are due to you as these reproductions are sold.

1503850 Alberta Ltd is obliged to adhere to the same terms and conditions under these reproduction contracts and will now be responsible to make these payments to you.

I am attempting to contact all of you by telephone over the next week and would like to discuss further.

Should you have any questions and/or concerns please contact me for more information and will be happy to discuss next steps.

I am available at 403-932-3937 or wavehill@telus.net
