(No ability to pay - permanent)

Use this sample letter to write your own letters

Dear (name of Creditor):

You contacted me recently about my debt to you of \$\_\_\_\_\_

I can advise that I am currently receiving an income of \$\_\_\_\_\_ per month primarily from \_\_\_\_\_ (Assured Income for the Severely Handicapped (AISID) Program, CPP Disability, Pension, etc.) Unfortunately, my situation is ongoing in nature and I do not anticipate, in the foreseeable future, being able to make payments of any amount toward my debts. Accordingly, I respectfully request that my debt to you be written off. I also enclose my credit card.

If you require further information, please contact me.

Yours very truly,

Your Name
