Dear:

RE: Request for Information on your Billing Account with Piikani Investment Corporation and other Piikani Business Entities

Alger & Associates Inc. has been appointed Investigator (“Alger” or the “Investigator”) of Piikani Investment Corporation (“PIC”) and Piikani Business Entities (“PBEs”) which include: Piikani Energy Corporation, Oldman Irrigation Ltd., Piikani Land Holdings Corporation and Oldman Hydro Limited Partnership pursuant to the Court Order dated October 22, 2009 and attached to this letter.

Based on our review of the books and records of these entities, we have determined that XXXXX has received \$XXX,XXX from PIC and PBEs. The table below details which Piikani entities issued the payments and in which calendar year they were made:

	<u>2006</u>	<u>2007</u>	<u>2008</u>	<u>2009</u>	<u>Total</u>
Piikani Investment Corporation				\$	-
Piikani Energy Corporation					-
Piikani Land Holdings Corporation					-
Piikani Oldman Hydro LP					-
				\$	-

The Investigator requires that you provide additional details about the legal services you rendered to PIC and PBE’s. Specifically, the Investigator would like to know what provincial, federal or judicial review action numbers you provided advice on and the amount of fees incurred by you for each action. If the charges relate to a non-litigation matter for which there is no action number to reference, provide a brief description of the matter and

the amount of fees incurred by you. We are also requesting that you provide backup invoices to support your analysis.

If you are providing ongoing legal services to PIC or any PBE's, indicate which matter you are advising on by referring to the action number, or by using a brief description if it is a non-litigation matter and there is no action number to reference.

The Investigator is not seeking information concerning advice provided to your client, and the Investigator is not requesting that you provide information that would breach solicitor client privilege. Instead, the purpose of this request is to obtain enough information to match legal fees to specific litigation or non-litigation matters.

The Investigator is requesting this information by February 26, 2010. If you have any further questions, please do not hesitate to contact the writer.

Yours very truly,

Gord Boersma, CMA
Associate
